Winchester Cathedral Choir is recognized as one of Britain's leading cathedral choirs, both for its singing of the services and in concert.

The Choir gives regular concerts both in the Cathedral and beyond. In recent years they have performed with orchestra for the BBC Proms, in the Royal Albert Hall, and toured France, Holland, Norway and the United States.

Winchester Cathedral Choir records regularly for Hyperion and Virgin Classics. Recent reviews include:

NEW YORK CITY "...the Winchester Cathedral Choir gave further proof...that a choir of boys and men is capable of expert and expressive music-making at levels of complexity that might intimidate many adult ensembles...." *The New York Times*

LOS ANGELES "...the splendid cathedral ensemble - its men and boys solid in vocal achievement, firm in balance, tone and dynamic resource, radiant in expression..." *The Los Angeles Times*
